The image shows two side-by-side screenshots of a shopping mall interior. The left screenshot, labeled 'Tanpa Fitur' (Without Feature), shows several people walking through the mall, but a red 'X' icon in the bottom right corner indicates that the software is not tracking them. The right screenshot, labeled 'Dengan Fitur' (With Feature), shows the same scene, but a green checkmark icon in the bottom right corner indicates that the software is successfully tracking the people.
